COMPANY HISTORY:

26th & Soho burst onto the wholesale market in February 2010 and immediately impressed retailers, designers, and leading industry publications with their one of a kind lamp designs. Using signature design elements such as designer fabric shades, crystal accented bases, and beaded pull chains, the boutique style lamps perfectly fuses unique designs with function. 26th & Soho’s most notable accomplishments include collaboration with designer Mike Farrell creating nine specialized lamp shades for the Amazed Event in High Point, an ARTS nomination for Portable Lamp Manufacturing of the Year in 2010, and multiple product features in Home Accents Today and Residential Lighting.
