Illuminating Options

Buyers will find it easy to lighten up this season with an amazing array of lamp and lighting variations lined up for the choosing. Current design themes like nature (horn and shell), vintage (recycled glass and bulb pendants), and Old World (lace and fleur-de-lis) exude versatility and modernity. — *Tracy Bulla*

Luminous abalone shells piece together to make the Radiance lamp from **AF Lighting** in each one-of-a-kind design (\$378). IHFC D320

From **26th & Soho**, a transitional design centers around classic elements with a floral scrollwork shade and fleur-de-lis base (\$350). MSS G-6056
